Parent Survey Results

Dear Parents/Guardians,

September 15, 2016

During Open House, you were offered a brief survey to fill out and return to your child's school. The response was very positive and reflected an interest in several areas of parent involvement/parent education. We will be offering a variety of options throughout the school year. Please look through the following dates, mark your calendars, and join us to share and learn. We look forward to your participation. Prior to each class/meeting we ask that you register (information below) for the class/meeting you would like to attend.

We are currently working on a Parent Reach Webpage, which will provide access for you to view items such as a calendar of up-coming meetings, newsletters, flyers, reminders, web resources, child development articles, homework tips and contacts.
